

New Trash and Recycle Bins

All residents are requested to label both bins with your street address and house number.

Please identify your bins with a large label or black marker. (for example U3-6). If you are unsure of your Unit, please call the administration office at 760-757-3937.

Labeling your bins will ensure your bin is returned to your house.

If you have any questions, please let us know. Thank you!
